CASPER, WYOMING

About Us...

The *Casper Area Economic Development Alliance* was created in 1987 to expand economic opportunities for the people of Natrona County. This directory was created to support that goal by providing information about the people and industries operating in Natrona County. It will be available to any member of the community and will be distributed to potential investors and business people seeking to create new manufacturing jobs in Natrona County. The Economic Development Joint Powers Board members and the CAEDA Board of Directors, listed below, are representatives of the Casper City Council, Natrona County Commission, and private business. They are leaders who have invested their time and money in order to support economic development in Natrona County. Please contact us at any time if you would like more information.
