

Casper's Entrepreneurial Boot Camp

in Casper, October 4-5, 8am – 5pm

Prepare your business for launch!

Learn from prior entrepreneurs and subject matter experts who have knowledge of starting and growing businesses.

Attendees must have a business plan that is well conceived but does not require the business to be operational. This two (2) day intensive course is designed to teach entrepreneurs how to pitch their business or idea to equity (angel) investors. This course will provide entrepreneurs with the knowledge to evolve their business from concept to startup stage and beyond. The students will better understand how to assess their own business by the end of the course to determine if the business is ready to competitively enter the market.

You will learn about:

- ★ Building your team
- ★ Financing
- ★ Investors
- ★ Insurance
- ★ Intellectual property
- ★ Legal
- ★ Marketing
- ★ Sales
- ★ Product development
- ★ Ultimately, crafting your pitch

Upon successful completion of the 2-day course, attendees will have the option to pitch their business to Breakthrough 307 investors.

The cost for this two-day intensive course is only \$295!

Sign-up early to assure a seat. Class space is limited.
